but not sure exactly how to say it?**

This little book is the PERFECT gift to give her: Your very own, personalized, one-of-a-kind book that says “I love you” in a way she will always treasure.

Unlike other fill-in-the-blank books, these creative prompts are just enough to get you going, and make it easy peasy to express your feelings the way YOU want – with a single word, a sentence, or a paragraph.

These sample pages and illustrations from the book show you how easy it is to create a book filled with your own thoughts, words and memories – not a bunch of canned sentiments someone else has written.
